

BEFORE THEY WANDER AGAIN

**GPS
SmartSole®**

**THE BEST HIDDEN
GPS TRACKER**

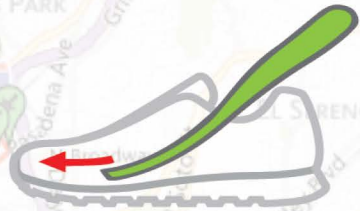

AS SEEN ON:

Tailored for those with Alzheimer's, dementia, Autism or TBI

GPS SmartSole® is a tracking device hidden inside shoes! The key advantage: it's discreet and noninvasive for the wearer and won't be forgotten at home. SmartSole tracks nationwide so you can easily monitor their location online or from a smartphone. Set up geozone boundaries to get a text message or email alert in the case of wandering- *now that's peace of mind!*

- **World's 1st Patented GPS Insole**
- **Free Tracking App Included**
- **Multi-Pair Discounts, Flexible Plans**
- **Insurance Reimbursement Available**
