

GLENNERCARE™

GEORGE G. GLENNER ALZHEIMER'S FAMILY CENTERS, INC.®

CARING FOR A LOVED ONE WITH DEMENTIA CAN BE DIFFICULT.

Family caregivers are often overwhelmed, suffer caregiver burnout and become confused on where to turn. Resources *are* available, but what are they? Where do you start? Who do you call? What can you afford?

In response to this need, the George G. Glenner Alzheimer's Family Centers, Inc.® introduces

GLENNERCARE™

GLENNERCARE™ is modeled after an Integrated Care Organization (ICO) and is specifically & expertly designed to support the individual and their family caregiver(s) facing Alzheimer's disease and related dementias.

GLENNERCARE™ is a concierge-style care coordination and; navigation service that assists caregivers of loved ones with dementia in navigating the resources available to them within their health plan & in the community.

WHY GLENNERCARE™?

- Reduce caregiver stress & confusion
- Education on available resources, care strategies & best practices
- Improve patient & caregiver experiences
- Polypharmacy management
- Reduce unnecessary & unwanted hospitalizations
- Ameliorate difficult dementia-related behaviors
- Navigation of social determinants of health
- Delay nursing home entry
- 24-hour email & phone access to dedicated Care Team
- Home safety evaluations
- Transportation support
