THURSDAY, JAN 21 4:00 – 5:30PM

Program Description:

Now, more than ever, seniors prefer to stay home as long as they can. We have assembled a panel of aging in place experts to highlight the important considerations and valuable resources for staying longer and safer in the comfort of your home. This seminar is for seniors of all ages, as well as those caring for a senior loved one at home. You will gain valuable insights and have an opportunity to ask questions of our expert panel.

ASSISTED LIVING AT HOME

I will give you an insider's view of how home care works and the many ways it can help you remain independent longer.
