

DEMENTIA CARE EDUCATION PROGRAM

To help professional caregivers fulfill their dementia care training requirements, we are proud to offer specialized Alzheimer's & dementia care classes. Our program provides a unique opportunity to have your associates trained by the **George G. Glenner Alzheimer's Family Centers, Inc.**[®], a leader in Alzheimer's & dementia care since 1982.

Your training program can be customized to the needs of your caregivers & may be conducted at the **George G. Glenner Alzheimer's Family Centers, Inc.**[®] Support Office or, for your convenience, on-site at your community.

Our organization is a Continuing Education Provider licensed with the Board of Registered Nursing (License #CEP9035). In addition to customized training opportunities, pre-scheduled classes & symposia are offered throughout the year for CNA & RCFE continuing education units. See EVENTS calendar on our website for details.
