

GUARDIAN ANGEL PROGRAM

George G. Glenner Alzheimer's Family Centers, Inc.® offer volunteer opportunities for kind, compassionate individuals interested in making a difference in the life of seniors with dementia in San Diego County.

The mission of our program is to recruit, train, educate & connect volunteers to augment the experience of our participants in our specialized adult day centers.

Guardian Angel Volunteers will further enhance our activity program that engages participants in social, physical, intellectual, creative & educational activities. Volunteers can provide one-on-one companionship or assistance with group activities.
