

GUARDIAN ANGEL PROGRAM

George G. Glenner Alzheimer's Family Centers, Inc.® offer volunteer opportunities for kind, compassionate individuals interested in making a difference in the life of seniors in San Diego County.

The mission of our program is to recruit, train, educate & connect volunteers with isolated seniors residing in partnered long-term care facilities throughout San Diego County.

Residential communities provide excellent care, but many residents have friends & family members that live out-of-state & are not able to visit as much as they would like. Our Guardian Angels fill that gap & provide a wonderful opportunity for companionship.

PROGRAM HIGHLIGHTS

- Managed by George G. Glenner Alzheimer's Family Centers, Inc.®
- Established in 2001. Organized by San Diego County Supervisors, Dianne Jacob & Pam Slater-Price
