

## WHAT IS A MEMORY CAFÉ?

A Memory Café is a safe, supportive environment, often described as a “meet up” designed to engage attendees in cognitive activities to perk up memory. The goal of the Glenner Centers’ Memory Cafés is to keep attendees mentally & socially active, which research shows is protective of brain health.

These gatherings are **free** & open to all older adults with or without memory concerns.

The George G. Glenner Alzheimer’s Family Centers, Inc.® is not responsible for Memory Café attendees. Attendees must be accompanied by a caregiver or loved one for the duration of the Memory Café if care, assistance or supervision is required.

If care, assistance or supervision *is* needed, the Glenner Centers also run separate adult day care centers at alternative locations.

**Visit [www.glenner.org](http://www.glenner.org) for more information.**
