Alternative orders:	

REQUEST FOR ADULT DAY HEALTH CARE / CBAS SERVICES SECTION (must be completed and signed by PCP)

All patients receive the following on each day of attendance: skilled nursing, social services (PRN), personal care (PRN), therapeutic activities and meal services. Additional services, provided as needed, include physical therapy, occupational therapy, speech therapy, mental health services and transportation, based on multidisciplinary team assessment. ADHC / CBAS services are ongoing unless otherwise indicated.

1) Indicate contraindications for receiving any of the above additional services: ☐ None
   If so, explain_____
2) Are there any medical contraindications for one-way transportation more than 60 minutes? ☐ None
3) Overall health prognosis? _____
4) Overall therapeutic goals? _____

DO NOT RESUSCITATE ORDER ON FILE? ☐ YES ☐ NO

This patient has one or more chronic or post acute conditions that require monitoring, treatment or intervention, without which there is a high potential for further deterioration and may require emergency room, hospitalization or institutionalization. **The information provided reflects this patient's current health status. I request ADHC / CBAS services in addition to authorizing the standing orders.**
