**The Town Square®
Experience**

How do you think the guest feels about attending Town Square®, and do you or the guest have any concerns?

What do you think your loved one would enjoy most while attending Town Square®?

Is there anything within Town Square® that you believe should be avoided for the guest?

As a courtesy, while your loved one is here for their evaluation, we like to offer our guests coffee, tea, juice, hot cocoa and/or milk. Are these beverages of concern or may we offer them during their visit?

The Town Square® Experience
